

## Starting Checklist

Here is a list of some things to consider as you start to think about remodeling your bath:

- ✓ Have you established a budget?
- ✓ Will this be a long-term investment?
- ✓ Do you wish to work within the existing footprint or do you plan to change the size of the space?
- ✓ Do you want to relocate the fixtures?
- ✓ Is there sufficient lighting/ do you want to install additional lighting?
- ✓ Is there adequate ventilation?
- ✓ What is your heating source? Do you want to change it or augment it?
- ✓ Do you wish to remodel the bath to accommodate current physical limitations, e.g. adding grab bars in the tub area, changing the height of the vanity, widening the door frame, etc.?
- ✓ Should you consider changes that will provide a functional bath for you as you or your family grow older.
- ✓ Do you need additional storage?
- ✓ Do you want a separate tub and shower?
- ✓ Separate area for the toilet?
- ✓ Do you want more than one sink?
